TRANSPORTATION INFORMATION

CHCA VANS

We will be traveling to Nashville, Tennessee using the CHCA vans driven by CHCA staff who are certified by the State of Ohio.

DESCRIPTION

Students will visit the vibrant growing city of Nashville, Tennessee and learn firsthand about how urban growth is leading to increased economic disparity among its population. 50% of Nashville's workers do not earn a living wage and 10% experience food insecurity. Each day students will serve in a variety of local agencies working to help these families including a food bank, a homeless shelter, a street outreach, and a community center. We will be staying at 2 Air BNB's in downtown Nashville with girls and boys in separate locations but we will have meals and devotions together.

CHCA staff will transport the students to service sites around the city while in Nashville and to and from Nashville.

ADDITIONAL INFORMATION

Students should dress in comfortable clothes that can get dirty. Students must have a pair of tennis shoes with them. CHCA dress code should be observed. Dress in layers and bring a jacket for any outside activities. Students will not need bedding, but please bring a towel. Try not to overpack as all luggage must fit in the vans. Students should bring a refillable water bottle and can bring snacks. Students should bring money for lunch on travel days.

Some ministry sites will require a parent signed waiver; this could be via online waiver or paper forms. More information will be sent after students are assigned to their courses for Service Intersession.
